

POINTS GAME

Test your knowledge of how dogs earn points toward their AKC breed championships. Each entry below describes an entry as reported in judging schedules: the first number indicates class dogs; the second, class bitches; the 3rd, dog champions; and the 4th, bitch champions. Using the point schedule provided, determine the points earned by Winners Dog and Winners Bitch in each situation. Score yourself 1 point for each correct answer. (I'll post the answers separately.)
