

## ASSA AWARDS FOR 2008

*Congratulations to all who worked so hard this year. There were many more awards completed, but did not apply to receive their recognition through ASSA.*

*I would like to thank Bob Miller for the incredible job of keeping records. Your work is much appreciated. Thank you for sharing your talents and the results of your research. It certainly makes this chairman's job easier.*

*Please remember to submit your 2008 awards in a timely manner. The NEW deadline is June 1st of the following year. You may download award applications from the ASSA website. You have until June 1, 2010 to submit any 2009 awards, but applications received after February 10, 2010 will not be listed in the catalog.*
