

## *ASSA AWARDS FOR 2007*

Congratulations to all who worked so hard this year. There were many more awards completed, but not all applied to receive recognition through ASSA.

Many thanks to Bob Miller for his incredible recordkeeping skills. Thank you for sharing your talents and the results of your research. It certainly makes this chairman's job easier. Your work is much appreciated.

Remember to submit your 2008 awards in a timely manner. The NEW deadline is June 1<sup>st</sup> of the following year. You may download award applications form the ASSA website. You have until June 1, 2008 to submit any 2007 awards, but applications received after February 10, 2008 could not be listed in the catalog.
